I. PROJECT DESCRIPTION/PROGRAM*

The Owner proposes to develop and operate a 46-story, high-rise, mixed-use, hotel/branded residential tower (“Project”) at 805 Demonbreun Street in downtown Nashville, Tennessee. The Site is Clark Place Subdivision Lot 2 or the last undeveloped parcel within the block bounded by Demonbreun Street, 8th Avenue, Clark Place, and an Alley #116 (“Alley”). The parcel fronts on Demonbreun Street to the North and the Alley to the West. The remaining portion of the block is occupied by the JW Marriott Hotel.

This Project’s design team is composed by Morris Adjmi as Design Architect, Smallwood as Architect of Record (“AOR”), Meyer Davis as Interior Designer for the Hotel and Hotel Furnished Rental units, Yabu Pushelberg as Interior Designer for the Residences, a TBD firm as Interior Designer for the Signature Restaurant, and a wide directory of consultants. Sales are led by the Eklund-Gomes Team at Douglas Elliman, and Douglas Elliman Development Marketing.

This Project seeks to obtain LEED Gold certification.

Parking Below Grade: The Project will have three new levels of mechanically ventilated parking below grade, with 230 parking spots on-property and bicycle storage. The estimated, new, below-grade parking

areas total approximately 101,897, GSF. The new parking areas will connect to the existing parking levels below the JW Marriott Hotel.

Street Level: The street Lobby Level will have an auto court drop off and lobbies for both the hotel and branded residential units, hotel lobby bar, and an ancillary F&B venue. A service dock accessed off the Alley will be located on this Level.

Hotel: Level 2 through Level 17. Level 2 will contain the hotel’s signature restaurant, food and beverage (“F&B”) support areas, a meeting room, and administrative back-of-house (“BOH”). Level 3 will contain ballrooms, meeting rooms, support for these areas, and BOH. Level 4 will contain pool storage, MEP rooms, and staff offices. Level 5 will contain a spa, fitness center, all-day dining venue, and a pool bar that will open onto the pool, and pool deck for use by the hotel guests. Level 6 will contain indoor dip pools and exterior terraces for use by residents, spa amenities, and residential club areas including a fitness center, exhibition kitchen and bar with a terrace (note this level will be off-limits to hotel guests). Above this will be the 9 hotel guestroom levels resulting in 145 keys. The total hotel area from street level through Level 15 totals approximately 266,707 GSF.

Hotel-Furnished Residences: Above the hotel are four levels (Levels 16 – 19) of 10 hotel-furnished residences per floor, totaling 40 units. The mix contains one- and two-bedroom units. The total hotel furnished residences area from Level 18 through Level 21 totals approximately 58,300 GSF.

Transfer Floor: Level 20. Mechanical, loading & fire service, electrical, totaling 14,575 GSF

Branded Residential: Levels 21 through 46. The branded residential area is estimated to be 26 levels with a mix of, one-, two-, and three-bedroom units, duplex units, and penthouse units. The total branded residential area from Levels 21 through 46 totals approximately 369,850 GSF.

Roof: Top of the building and will house mechanical equipment, totaling 12,300 GSF.

Project Total Area Estimate: In addition to the associated outdoor plaza areas, the total area is estimated to be about 811,329 GSF.

**Please note that the program is subject to variations as Design Development progresses. A detailed matrix with net square footage is currently under development.*

II. RFP – BRANDING AGENCY (“Consultant”) - SCOPE OF WORK

Brand Strategy

1. Conduct thorough market research and competitor analysis to identify opportunities and positioning for the St. Regis Hotel and Residences in Nashville.
2. Develop a comprehensive brand strategy that defines the unique value proposition, target audience, and messaging pillars for both the hotel and residential components.
3. Outline strategies for guest and resident experience enhancement, emphasizing luxury, exclusivity, and personalized service.

Brand Identity

1. Create distinctive brand identities for the St. Regis Hotel and Residences, reflecting the property's upscale ambiance, architectural design, and cultural influences of Nashville.
2. Design logos, color palettes, typography, and visual elements that convey sophistication, elegance, and modernity.
3. Ensure brand identities adhere to St. Regis and Marriott brand standards, maintaining consistency across all touchpoints.

Creative Direction

1. Develop a creative direction that guides the implementation of the brand strategy across various marketing channels and communication materials, inclusive of the sales + marketing center.
2. Provide recommendations for photography styles, graphic treatments, and multimedia assets to enhance brand storytelling and engagement.
3. Integrate immersive technology platforms recommendations like Igloo, Unreal Gaming Engines etc., into the sales center to create interactive and immersive experiences for potential buyers.

Brand Architecture

1. Establish a cohesive brand architecture framework that encompasses the hotel, residences, and any self-managed brands within the property.
2. Propose naming conventions for restaurants, bars, and other amenities to align with the overall brand positioning and enhance guest and resident experiences.

Slogans and Taglines

1. Brainstorm and propose memorable slogans, taglines, and messaging hooks that capture the essence of the St. Regis brand and resonate with target audiences.

Brand Marketing

1. Develop a brand marketing strategy that includes an opening campaign slogan and marketing materials tailored to the St. Regis Hotel and Residences.
2. Create marketing brochures, floor plans, buyer merchandise, and gift bags ideation that align with the brand identity and cater to buyer touchpoints and experiences.
3. Ensure all marketing materials adhere to St. Regis and Marriott brand standards and enhance the overall brand image and perception.
4. Create a unique brand film/ content strategy introducing potential buyers to the development. The film/content should be memorable and effective, not a typical real estate film.

III. RFP – BEST PRACTICES

1. Prioritize luxury, exclusivity, and sophistication in all branding elements to reflect the upscale nature of the St. Regis brand.
2. Ensure seamless integration with St. Regis and Marriott brand standards to maintain brand integrity and consistency.

3. Leverage local culture, history, and attractions of Nashville to infuse authenticity and regional charm into the brand identity.
4. Collaborate closely with stakeholders, including property developers, architects, and marketing teams, to align branding efforts with overall Project objectives and timelines.

IV. RFP – SUBMISSION GUIDELINES

Interested Consultants are requested to present their proposals on or around **11/05/2024** (we will schedule in advance) Proposals should include, but are not limited to:

1. Company profile and relevant experience in luxury branding.
2. Proposed approach and methodology for the Project. Owner would recommend including inspirational campaign language, imagery and mood boards to communicate project positioning, along with some fun ideas that are proprietary to your agency's thinking and that spark excitement for the residences. We want to see your creativity. Show us your stuff!
3. Detailed breakdown of services, deliverables, and timeline.
4. Portfolio showcasing previous branding Projects in the hospitality industry.
5. Pricing structure and terms of engagement.
6. Proposed team at the Company dedicated to this project, including their relevant experience.

V. RFP – EVALUATION CRITERIA

1. Alignment with Project objectives and brand requirements.
2. Creativity, originality, and strategic thinking demonstrated in the proposed approach.
3. Relevant experience and proven track record in luxury hospitality branding.
4. Clarity, organization, and professionalism of the proposal.
5. Cost-effectiveness and value proposition offered.
6. Turnberry plans to award business on or by November 18.

VII. FEE SCHEDULE

****Please note that there are some discrepancies in the programming statistics within this document, as it was originally submitted to the City of Nashville several months ago. The information provided here is intended to give you a general overview of the design and architecture of the project. The correct and updated figures can be found earlier in this document.**

IX. MISCELLANEOUS

“RFP Responsive Documents” means any and all representations, in any medium of expression (whether existing as of the date of this RFP or later developed) of the tangible and intangible creative work of the author prepared or produced in relation to this RFP and/or the Project, including all architectural and engineering plans and drawings, specifications, computer-aided design, calculations, studies, surveys, models, sketches and any and all other such materials and electronic/digital information and any and all common law, statutory, and other reserved rights, including but not limited to intellectual property rights, copyrights, rights of reproduction and other interests relating to, and in, the RFP Responsive Documents.

Any and all of the RFP Responsive Documents developed, prepared or produced by Consultant and its consultants shall be the sole and exclusive property of the Owner upon full payment therefor or any partial payment for any part of such RFP Responsive Documents and shall constitute, and shall be deemed to constitute, “works made for hire” under 17 U.S.C. § 101, et seq. Consultant hereby grants, assigns, transfers and forever conveys to Owner (and its affiliates) all rights, title and interests in all of the RFP Responsive Documents, including, without limitation, all copyrights, patent rights, moral rights and all other intellectual property rights arising out of the RFP Responsive Documents. Upon responding to this RFP, Consultant gives the Owner an exclusive and irrevocable license to use and reproduce all of the RFP Responsive Documents (regardless of whether the Owner awards the RFP to the Consultant or otherwise terminates this RFP for any reason) for the completion of the Project, and to use, reproduce and make derivative works from the Responsive RFP Documents for additions, renovations, and other alterations to the Project and for the Owner’s design of other projects, provided the Owner’s use all of the RFP Responsive Documents for additions, renovations, and other alterations to the Project or for other projects without Consultant’s involvement shall be at the Owner’s own risk and without liability to Consultant. This license is for the benefit of the Owner and its assigns and permits the Owner to retain other design professionals who may use all the RFP Responsive Documents for such purposes. Consultant shall obtain this same provision of grant, transfer, and assignment from its consultants for the benefit of the Owner. Consultant represents and warrants to Owner that it is the owner of all the RFP Responsive Documents prepared by it and has the sole authority to grant Owner these RFP Responsive Documents in accordance with this RFP.
