

REQUEST FOR PROPOSAL

GLOBAL LUXURY FASHION CONGLOMERATE DIGITAL TRANSFORMATION

CLIENT: Étoile Luxury Group

DATE: October 15, 2025

BUDGET: \$25-35M

TIMELINE: 24 months

EXECUTIVE SUMMARY

Étoile Luxury Group, the world's third-largest luxury conglomerate managing 12 iconic fashion houses including Maison Lumière, Casa Bellezza, and Atelier Royale, seeks a transformative agency partnership for comprehensive brand elevation, digital innovation, and market expansion across our entire portfolio.

This RFP outlines requirements for a multi-year engagement encompassing creative excellence, strategic innovation, technological advancement, and sustainable luxury practices across 120+ global markets.

COMPANY BACKGROUND

Founded in 1923, Étoile Luxury Group has grown from a single Parisian atelier to a global powerhouse with:

- Annual revenue: €28 billion
- 12 luxury fashion houses
- 2,800+ retail locations worldwide
- 450,000 employees globally

- Presence in 120 countries
- 35 million active customers
- 15 manufacturing facilities
- 8 design studios

Our portfolio spans:

- Ready-to-wear collections
- Haute couture
- Leather goods and accessories
- Jewelry and watches
- Fragrances and cosmetics
- Eyewear
- Home and lifestyle products

STRATEGIC OBJECTIVES

- 1. Position Étoile as the definitive leader in sustainable luxury**
- 2. Capture next-generation luxury consumers (Gen Z and Alpha)**
- 3. Expand digital revenue from 15% to 40% by 2027**
- 4. Establish dominance in emerging luxury markets**
- 5. Create industry-leading metaverse experiences**
- 6. Pioneer circular economy in luxury fashion**
- 7. Achieve carbon neutrality by 2030**

DETAILED SCOPE OF WORK

SECTION 1: BRAND STRATEGY & POSITIONING

1.1 Master Brand Architecture

- Develop overarching group brand strategy
- Define individual house brand positioning
- Create brand hierarchy framework
- Establish cross-portfolio synergy strategies
- Design brand governance model
- Implement brand equity measurement system
- Develop brand risk management protocols

1.2 Market Positioning Strategy

- Conduct comprehensive competitive analysis
- Identify white space opportunities
- Develop differentiation strategies per market
- Create localization frameworks
- Design market entry strategies for 15 new territories
- Establish pricing architecture across tiers
- Develop channel strategy optimization

1.3 Consumer Insight & Research

- Execute global consumer segmentation study
- Conduct ethnographic research in key markets
- Implement continuous insight gathering system
- Develop predictive consumer behavior models
- Create cultural trend forecasting capability
- Establish innovation opportunity mapping
- Design customer journey optimization frameworks

1.4 Purpose & Sustainability Strategy

- Define group-wide purpose narrative
- Develop ESG communication framework
- Create sustainability storytelling platform
- Design transparency communication system
- Establish impact measurement protocols
- Develop stakeholder engagement strategy
- Create crisis resilience planning

SECTION 2: CREATIVE DEVELOPMENT & PRODUCTION

2.1 Visual Identity Systems

- Complete visual identity redesign for 3 houses
- Refresh visual systems for 9 houses
- Create unified design language principles
- Develop modular identity toolkit
- Design responsive logo systems
- Create comprehensive brand guidelines
- Establish asset management system

2.2 Campaign Creative Development

- Conceptualize 48 seasonal campaigns annually
- Create 12 global brand campaigns
- Develop 36 regional adaptation campaigns
- Design 24 product launch campaigns
- Produce 18 sustainability initiative campaigns
- Create 15 partnership campaigns

- Develop 20 cultural moment activations

2.3 Content Production

- Produce 24 fashion films annually
- Create 500+ editorial shoots
- Develop 2,000+ social media assets monthly
- Produce 100+ influencer collaboration pieces
- Create 50+ behind-the-scenes documentaries
- Develop 10,000+ product photography assets
- Produce 200+ video commerce assets

2.4 Runway & Event Creative

- Creative direction for 48 runway shows
- Design 24 presentation experiences
- Create 36 pop-up installations
- Develop 12 art collaboration exhibitions
- Design 18 VIP customer experiences
- Create 30 press event concepts
- Develop 15 digital-first show experiences

SECTION 3: DIGITAL TRANSFORMATION

3.1 E-commerce Platform Evolution

- Redesign 12 brand e-commerce sites
- Implement unified commerce platform
- Develop headless commerce architecture
- Create progressive web applications

- Implement AI-powered personalization
- Design conversion optimization systems
- Develop subscription commerce models

3.2 Mobile Experience Innovation

- Design 12 native mobile applications
- Create augmented reality try-on features
- Develop virtual styling assistants
- Implement mobile-first checkout
- Create app-exclusive experiences
- Design push notification strategies
- Develop location-based services

3.3 Emerging Technology Integration

- Develop comprehensive NFT strategy
- Create metaverse flagship stores
- Implement blockchain authentication
- Design virtual fashion collections
- Develop AI-powered design tools
- Create digital twin products
- Implement IoT-connected products

3.4 Data & Analytics Infrastructure

- Implement Customer Data Platform
- Develop predictive analytics models
- Create real-time dashboard systems
- Design attribution modeling framework
- Implement marketing automation

- Develop AI-powered insights engine
- Create performance optimization tools

SECTION 4: MARKETING & ADVERTISING

4.1 Integrated Campaign Management

- Develop annual marketing strategies
- Create campaign planning frameworks
- Design integrated activation playbooks
- Implement campaign management systems
- Develop performance measurement tools
- Create optimization protocols
- Design learning agenda frameworks

4.2 Paid Media Strategy & Execution

- Media planning across 120 markets
- Annual media investment: \$180M
- Programmatic advertising management
- Social media advertising optimization
- Search marketing (SEM/SEO)
- Influencer marketing programs
- Partnership and sponsorship activation

4.3 Owned Media Optimization

- Website content strategy
- Email marketing programs
- SMS/messaging strategies
- App notification campaigns

- Loyalty program communications
- Retail media networks
- Brand publication development

4.4 Earned Media & PR

- Global PR strategy development
- Media relations management
- Influencer relations programs
- Celebrity partnership management
- Thought leadership platforms
- Crisis communication planning
- Awards and recognition strategy

SECTION 5: CUSTOMER EXPERIENCE

5.1 Retail Experience Innovation

- Flagship store concept development
- Store design standardization
- Digital integration in stores
- Personal shopping services
- VIP customer programs
- Clienteling tool development
- Store associate training programs

5.2 Omnichannel Integration

- Seamless channel connectivity
- Inventory visibility systems

- Buy online pickup in store
- Virtual shopping appointments
- Cross-channel loyalty programs
- Unified customer service
- Channel attribution modeling

5.3 Customer Relationship Management

- CRM strategy development
- Segmentation and targeting
- Lifecycle marketing programs
- Retention and win-back campaigns
- Advocacy program development
- Community building initiatives
- Customer feedback systems

5.4 Service Excellence

- Service standard development
- Training program creation
- Quality assurance systems
- Customer satisfaction measurement
- Service recovery protocols
- Concierge service design
- After-sales service optimization

SECTION 6: CONTENT & STORYTELLING

6.1 Editorial Content Strategy

- Brand journalism platforms

- Magazine-quality content creation
- Video content programming
- Podcast series development
- Documentary production
- Coffee table book creation
- Digital archive development

6.2 Social Media Excellence

- Platform-specific strategies
- Content calendar management
- Community management
- Influencer collaboration
- User-generated content programs
- Social commerce integration
- Performance optimization

6.3 Brand Heritage & Archives

- Historical narrative development
- Archive digitization projects
- Museum partnership programs
- Heritage collection launches
- Anniversary celebration campaigns
- Founder story amplification
- Craftsmanship documentation

6.4 Cultural Programming

- Art collaboration curation
- Music partnership development

- Film and entertainment integration
- Sports sponsorship activation
- Cultural institution partnerships
- Festival and event presence
- Thought leadership platforms

SECTION 7: INNOVATION & TRENDS

7.1 Trend Forecasting

- Macro trend identification
- Consumer behavior prediction
- Technology trend monitoring
- Cultural shift analysis
- Competitive innovation tracking
- Material innovation scouting
- Sustainability trend analysis

7.2 Innovation Lab Development

- Innovation methodology design
- Pilot program management
- Rapid prototyping processes
- Test and learn frameworks
- Scaling successful innovations
- Failure analysis and learning
- Innovation metrics development

7.3 Partnership Ecosystem

- Technology partner identification

- Startup collaboration programs
- Academic institution partnerships
- Industry consortium participation
- Government relation programs
- NGO collaboration initiatives
- Investor relations support

SECTION 8: SUSTAINABILITY & RESPONSIBILITY

8.1 Sustainability Communications

- ESG reporting frameworks
- Transparency initiatives
- Supply chain storytelling
- Circular economy programs
- Carbon neutrality roadmap
- Biodiversity protection initiatives
- Social impact campaigns

8.2 Ethical Fashion Initiatives

- Fair trade certification
- Worker welfare programs
- Community development projects
- Diversity and inclusion campaigns
- Gender equality initiatives
- Youth empowerment programs
- Indigenous craft preservation

- Monthly business reviews
- Quarterly strategic planning

REQUIRED CAPABILITIES

Creative Excellence:

- Fashion and luxury expertise
- Award-winning creative talent
- Production capabilities
- Post-production facilities
- Photography studios
- Video production teams
- CGI and 3D capabilities

Strategic Expertise:

- Luxury market knowledge
- Consumer insight capabilities
- Business transformation experience
- Innovation methodologies
- Sustainability expertise
- Cultural intelligence
- Trend forecasting abilities

Technical Proficiency:

- E-commerce platforms
- Mobile development
- Cloud infrastructure

- Data analytics
- AI and machine learning
- Blockchain technology
- Metaverse development

Marketing Capabilities:

- Media planning and buying
- Performance marketing
- Social media management
- Content marketing
- SEO/SEM expertise
- Marketing automation
- Attribution modeling

Global Operations:

- Presence in 30+ markets
- 24/7 support capabilities
- Multi-language services
- Cultural adaptation expertise
- Local market knowledge
- Regional production hubs
- Global account management

EVALUATION CRITERIA

Agencies will be evaluated on:

1. Creative Portfolio (25%)

- Quality of luxury work
- Innovation in approach
- Cultural relevance
- Awards and recognition
- Client testimonials

2. Strategic Capability (20%)

- Business transformation experience
- Market knowledge
- Consumer insight depth
- Innovation track record
- Thought leadership

3. Technical Expertise (20%)

- Platform capabilities
- Integration experience
- Data and analytics
- Emerging technology
- Security and compliance

4. Team & Resources (15%)

- Senior team experience
- Dedicated resources
- Global footprint
- Specialist expertise
- Training and development

5. Cultural Fit (10%)

- Brand alignment
- Working style
- Values match
- Collaboration approach
- Long-term vision

6. Commercial Terms (10%)

- Pricing competitiveness
- Value for money
- Payment terms
- Contract flexibility
- Performance guarantees

SUBMISSION REQUIREMENTS

1. Executive Summary (5 pages maximum)

2. Company Credentials

- Company overview
- Leadership profiles
- Office locations
- Client list
- Case studies (minimum 10)

3. Strategic Approach

- Understanding of brief
- Proposed methodology
- Innovation opportunities
- Success metrics
- Risk mitigation

4. Creative Concepts

- Initial creative territories
- Mood boards
- Sample executions
- Production approach
- Quality assurance

5. Technical Proposal

- Platform recommendations
- Architecture diagrams
- Integration approach
- Security protocols
- Disaster recovery

6. Team Structure

- Account team
- Creative team
- Technical team
- Support functions
- Governance model

7. Project Plan

- Phased approach
- Key milestones
- Critical dependencies
- Resource allocation
- Timeline

8. Commercial Proposal

- Fee structure
- Resource rates
- Media commissions
- Technology costs
- Payment schedule

9. References

- Three luxury clients
- Contact information
- Project descriptions
- Results achieved
- Relationship duration
